Others

- Research Student/Fellow, Department of Operative Dentistry, Nippon Dental University, Niigata Japan, 1998-2000
- Visiting Researcher, Graduate School, Dept. of Restorative Sciences, Tokyo Medical and Dental University (May 2004 and July 2006)

TEACHING AWARDS:

- Recipient of several international publication awards (2016, 2017) Professorial Chairs and Faculty Grants and has won in several national research competitions.
- Awarded Outstanding Dentist in Dental Literature by the Philippine Dental Association in 2004

PUBLICATIONS:

- Has authored an international reference book, A Practical Clinical Guide for Resin Cements, Springer GmbH, which was recommended by the American Dental Association for graduate students in Operative Dentistry.
- Has authored several research articles in high impact factor peer-reviewed international scientific journals including the Journal of Dental Research, Dental Materials, Operative Dentistry, and the American Journal of Dentistry
- Has authored several research articles, literature review articles in the Journal of the Philippine Dental Association on various topics which include dental materials, operative dentistry techniques, cariology and dental waste management.

- Has written several articles in magazines to educate the public about oral health and oral health care.
- Serves as research adviser to several students, some of their papers have been published.

SPEAKING ENGAGEMENTS:

- Presented research papers on dental materials and operative dentistry in international dental symposia and conventions including the International Association for Dental Research, Academy of Operative Dentistry Annual Meeting, Asia Pacific Dental Congress and International Giomer Symposium.
- Presented advocacy papers on the dental amalgam issue and dental waste management in international conferences e.g. Global Green and Health Hospital Conferences, International Mercury Symposia
- Locally, has given lectures all-over the Philippines on dental materials, restorative dentistry techniques, dental waste management, occupational health. Has lectured for Specialty Societies such as the Philippine Prosthodontic Society, Endodontic Society of the Philippines, and Philippine Pediatric Dental Society.

ADMINISTRATIVE ACCOMPLISHMENTS

- As Chairperson of the Department of Basic Dental Health Sciences (2013-2014), facilitated coordination between the faculty of Biochemistry and Pharmacology regarding course units and class schedules. Was also able to request for funding for the writing of Manuals for pre-clinical subjects thru the API Grant.
- As Assistant to the Dean (2006-2010), organized the 3rd Asia Dental Forum in 2004, a collaborative conference with the Tokyo Medical and Dental University, Faculty of Dentistry. It was the first continuing education offering of the UPCD after a long time and opened the doors of UPCD to graduates of other dental schools.
- As Chairperson of the Department of Clinical Dental Health Sciences (2000-2003), the patient records in the clinics were computerized. The purpose of the computerization is to facilitate access to patient records, programmed in such a way that it will be easy for the clinicians to search for patients they need for their clinical requirements. In connection with this, the patient admission chart was revised for easier encoding. The program was functional until the end of my term as chairman of the department.
- As Section Head of Operative Dentistry (1997-1998), completed the point system in evaluating works of clinicians.
- As co-chairman of the Continuing Education Committee (2004 to present), was able to organize several continuing education seminars and short courses. These courses and seminars were offered until 2020 when they were temporarily put on hold due to the COVID-19 pandemic. These short courses and seminars generated funds for the activities of the college, and improvement of infrastructures, in particular the renovation of the Faculty Lounge in 2018, in cooperation with the UPDAA 2016-2018 Board.
- As UPDAA President (2016-2018), was able to raise funds for the renovation of the UPCD Faculty Lounge. This was in coordination with the Continuing Education Committee. As Chair of the Continuing Education of the UPDAA in 2012-2014, organized 11 Scientific Seminars, featuring international lecturers to raise funds for the creation of the UPCD Alumni Office.

INVOLVEMENT IN DEPARTMENT/COLLEGE/ UNIVERSITY COMMITTEES

College Committees

- Has been actively involved in various committees of the College the latest of which are as: Chairperson, Research Facilities, Instruments, Training and Maintenance Committee (RFITM), IAADS and Quality Assurance Focal Person as well as ISO Focal Person and the COVID Crisis Management Committee
- Present committees: Library Committee, Continuing Education Committee, Research Committee.
- Past committees: Chairperson of the Academic Personnel Committee, Resource Generation Committee and the Officer for Student Relations.
- Faculty adviser for the UPCD Pep Squad (1997-1998) and the UPCD Choir (1995-1998) and chaired several UPCD Foundation Day/Week celebrations.
