re: *Disability sensitivity and services workshop for UPM Staff*

Dear Vice Chancellor Cañal!

I am Adrienne Louise D. Dominguez, an instructor from the Department of Speech Pathology of the College of Allied Medical Professions (CAMP) of the University of the Philippines Manila. I am writing in my capacity as a faculty member teaching the National Service Training Program (NSTP) at CAMP. Of the NSTP options, CAMP offers Civic Welfare Training Service (CWTS1 and CWTS2). For CWTS2 this semester, I am supervising a group working on disability sensitivity and/or services.

Thank you for your support for our recently conducted needs assessment interviews. We were able to conduct interviews in 15 offices across UP Manila. This allowed us to gather insights from the staff about their knowledge on occupational therapy, physical therapy and speech-language pathology, the services we provide, and their knowledge on disability sensitivity. Based on this, we would like to provide training sessions that deepen their understanding and clarify misconceptions.

The students of CAMP CWTS2 have organized an in-person workshop entitled "**Polaris: CAMPions of CAMPassion Journey Towards Disability Sensitivity and Allied Health Advocacy**". This is a one-day student-led event on **April 15, 2026 from 9:00 AM - 12:00 PM** at the College of Allied Medical Professions, University of the Philippines Manila.

This event will involve lectures on disability sensitivity and therapy services, hands-on activities to provide perspective on experiences of individuals with disabilities, and resource mapping of available therapy services in the university. Technical topics and activities such as disability simulations will be led by invited professionals.

We ask your office to endorse the participation of **at least 1 to 2 representatives from each administrative unit below** in this workshop:

- Accounting Office
- Budget Office
- Cash Office
- Campus Planning Development and Maintenance Office
- Interactive Learning Center
- Learning Resource Center
- National Graduate Office for the Health Sciences
- Legal Office
- Office of Alumni Relations
- Office of Continuing Education
- Office of International Linkages
- Human Resource Development Office
- Office of the Vice Chancellor for Research
- Office of the Vice Chancellor for Academic Affairs

- Office of Student Affairs
- Office of the University Registrar
- University Library
- Technology Transfer and Business Development Office
- Research Grants Administration Office
- Supply and Property Management Office

- Office of the Vice Chancellor for Planning and Development
- Office of the Vice Chancellor for Administration and Finance
- UP Manila Center of Gender and Woman Studies and Office of Anti-Sexual Harassment

Their participation will improve service delivery by equipping them with appropriate skills for interacting with clients with disabilities and the therapy services available to them on campus. We will be distributing certificates of participation at the end of the event.

We will be sending out promotional materials and registration details shortly both through IPPAO and to the offices directly.

We look forward to your favorable response. Should you have any questions or require further information, please feel free to contact me via email at addominguez1@up.edu.ph or via Viber at +63 998 530 2585. Thank you for your time and kind consideration.

Sincerely,

Adrienne Louise D. Dominguez, RSLP
 Instructor, Dept. of Speech Pathology
 and Project Coordinator, NSTP-CWTS2
